Contract for Care

I/We, _____, “owner” of companion animal(s) listed below, contract with the Good Dog Club to provide the following care:

1. Names & species/breeds of animals joining the Good Dog Club:

The Good Dog Club recognizes that any new animals added to your household will be under our care as appropriate. “Owner” agrees to submit necessary animal history information to the Good Dog Club for new pets so care can be adjusted as needed.

2. Initial care plan agreed upon: include type of visit(s), start date and optimal visit window, day recurring visits to begin or dates for discreet number of visits.

We will always aim to visit in “window” with the caveat that some adjustment may be needed should an animal in our care require time sensitive medical attention, in which case their visit will receive priority. Changes to your care plan can be made as needed, preferably via email to provide shared document of the request.

3. Do any of your companions have health issues or medical needs?

Contract for Care

In signing this document, I hereby place the care of the above named companion animals (and other animals added to my household at a later date) into the care of the Good Dog Club. In doing so, I authorize them to make emergency decisions on their behalf in the unlikely event care is needed.

In authorizing this care, I accept financial responsibility for any veterinarian services required, whether my companion is taken to my regular vet or to an emergency after-hours vet should my own vet not be available at time of need. The Good Dog Club is authorized to provide transportation to my animals if needed.

I have provided all relevant information about care in the Companion Animal History forms. I agree to update this information should health conditions or needs of my current companions change or in the event I/we adopt additional pets.

Policies

No travel time is billed to client with the exception of animals requiring transportation, which you specifically request. For regular clients, the Good Dog Club will send a bill for services on or about the first of the month, with payment due by the 10th. After the 10th, the Good Dog Club reserves the right to add a late fee of \$20. Occasional clients will be billed at the conclusion of our visits, with payment due 10 days after date on invoice. Any fees resulting from a bounced check will be the responsibility of the client.

Please give AT LEAST 24 hours notice should you need to cancel our services. If you leave a voice mail or an email and do not receive confirmation that I have received your message by 9am, please call or write again in case message was lost in cyber space. Chronic late cancellations will result in cancellation fees being added to your monthly bill. The Good Dog Club agrees to give one notice prior to adding fees to your bill.

Those returning from extended period away from home are REQUIRED to call or email to let us know you are safely home and your pals are in your care. If I do not hear from you, we will assume that you are delayed, leaving the animals to my care and will visit as usual.

We prefer not to share our duties with other people looking in on your pals. In the event we are sharing care, clarify our responsibilities and the schedule for the additional person's visits. I do not want anyone alarmed or frightened upon finding an unexpected person in your home or, with dogs, your pal missing when it is time for our outing to take place.

I, Lisa Margot Johnson, am owner of the Good Dog Club and primary contact person. In addition, my able and well-trained contractors will provide care to your household. Each has passed background checks and are bonded and insured. Lisa will be available to assist over the phone or in person should the need arise when a contractor is doing the visit.

Policies and everything related to the business of the Good Dog Club will be updated on the website: good-dog-club.com.
