Contact information while you are away

Your cell:

Partner/Spouse cell:

Local emergency contact(s) (in case of house emergency):

Household Routine

Where do the animals sleep?

What is their evening/morning routine?

Date: _____

Any specific routines when you leave the house (kong, radio, etc)?

When is trash day & what should we do to provide for pickup?

Household Details

Any quirky water situations, doors that lock automatically, etc.?

Are there any house tasks we should tend to in your absence (water plants, empty dehumidifier, fill bird feeder, etc.)?

Where is the fuse box located?

Do you keep a flashlight accessible in case of power outage? Where?

Will anyone else be accessing your home during our stay?

Landlord name and phone:

We aim to make our presence clear through alternating lights and curtains/blinds, bringing in the mail, taking out the trash. Any advice you have about your routine is welcome.

Date: _____

Our Needs During Stay

Where should we sleep?

Is there a wireless network we can use? If so, please provide name of network and password.

Anything else we should be aware of?
